

MISSING PERSON WORKSHEET

- On initial report of a MISSING PERSON, the investigator should complete the form below.
- Once completed, download WINID Assistant from <http://missingpersonlink.com>
- Open this program and select DENTAL CODE ENTRY, then option 2
- Enter your answers from this form.

This will produce and send an email request for DENTAL RECORDS to the treating dentist, as well as a printable Next Of Kin request.

The return email will contain a completed NCIC Missing Person Dental Report and a composite image of dental X-Rays.
